Product recalls

DCC has not published product recalls naming this license. Source: recalls.cannabis.ca.gov.

Methodology. Data sourced from the California Department of Cannabis Control's public publications: cannabis.ca.gov/cannabis-laws/compliance-action-records (enforcement) and recalls.cannabis.ca.gov (recalls). Refreshed daily. Phenominal Consulting de-duplicates the DCC source where it publishes identical actions twice with edited section wording, and reconciles pre-2021 CDPH-prefixed records with their post-consolidation DCC-prefixed equivalents under the canonical license number shown above.

Limitations. This report reflects DCC's published source as of the generation date. Enforcement actions may be pending, settled, or reversed at any time; recalls may be rescinded. Refer to the DCC source for current status. Phenominal Consulting provides aggregation and presentation; legal interpretation requires qualified counsel.
