Methodology. Data sourced from the California Department of Cannabis Control's public publications: cannabis.ca.gov/cannabis-laws/compliance-action-records (enforcement) and recalls.cannabis.ca.gov (recalls). Refreshed daily. Phenominal Consulting de-duplicates the DCC source where it publishes identical actions twice with edited section wording, and reconciles pre-2021 CDPH-prefixed records with their post-consolidation DCC-prefixed equivalents under the canonical license number shown above.
