DCC final decisions

DCC has not published an adjudicated final decision against this license. The absence of a published decision is not the absence of a resolution — citations resolved by administrative payment, matters still in process, and recall corrective-action plans are not represented on DCC's final-decisions page. Sources. Data on this report is sourced directly from public publications of California regulators. From the California Department of Cannabis Control (DCC): the Compliance Action Records portal at cannabis.ca.gov/cannabis-laws/compliance-action-records (enforcement actions), the Final Decisions index at cannabis.ca.gov/cannabis-laws/final-decisions (adjudicated outcomes), the Public Recall Portal at recalls.cannabis.ca.gov (recalls), and the DCC License Search API (current license status). From the Cannabis Control Appeals Panel (CCAP): the decisions index at ccap.ca.gov/decisions. From the California Department of Tax and Fee Administration (CDTFA): the Top 500 Sales & Use Tax Delinquencies list at cdtfa.ca.gov/taxes-and-fees/top500. The originating regulator is the authoritative source for all factual claims on this report. Phenominal Consulting indexes these sources and refreshes daily.

Document mirror. Phenominal maintains byte-for-byte mirrors of the signed final-decision and CCAP-appeal PDFs as a continuity measure against link-rot on the originating regulator's CDN. Each mirrored PDF carries a SHA-256 hash and retrieval timestamp printed inline above. The mirror is secondary by default; the originating regulator URL remains the authoritative source. Should the originating URL ever return 404, the row above is annotated and the mirror becomes the only public copy available.

Statement of public records. This report is a presentation of records made publicly available by the California Department of Cannabis Control. Phenominal Consulting is not the originating authority for any factual claim on this report. Responsibility for the accuracy, completeness, and currency of the underlying data rests with the California Department of Cannabis Control as the source agency.

No warranty. This report is provided "as is" for informational purposes. Phenominal Consulting makes no warranty, expressed, implied, or otherwise, regarding the accuracy, completeness, timeliness, or fitness for any particular purpose of the information presented. DCC's published records may be updated, amended, retracted, or superseded at any time without notice. Users are responsible for verifying current status directly with the source agency before relying on any information in this report for a material decision.

Editorial layer. Where Phenominal Consulting applies normalization or categorization to DCC's source data (de-duplication of identical actions republished with edited section wording; reconciliation of pre-2021 CDPH-prefixed records with their post-consolidation DCC-prefixed equivalents under the canonical license number; recall category labels such as contamination, label/data, mixed, other, packaging), those layers are clearly identified. Original source values are preserved internally. The regulator's text is the authority.
